Special Care in Dentistry - Subject Index

A

ACADEMY OF DENTISTRY FOR THE HANDICAPPED
The need for better collaboration among ADH, AAHD, and ASGD. (Ed.) Kiyak, H.A. 147
Report. 45, 91, 144, 187, 231, 278
ACUTE DISEASE
Dental treatment in the child with acute leukemia: report of case. Goodman, E.D. et al. 59
AGED
Anxiety and pain control in the older patient. Malamed, S.F. 22
Dental health knowledge in a group of inner-city older adults. Odrich, J. et al. 275
Nutrition and preventive needs of older adults. Papas, A.S. et al. 13
Obstacles confronting the geriatric patient who has a mentally handicapping condition. Twersky, H.B. 200
Periodontal therapy for older adults. Kiger, R.D. 26
Treatment planning for older adults. Berkey, D.B. 21
AGING
Normal aging versus disease. Blandford, G. 9
Stimulated saliva and microbial growth in older adults. Lassila, V.P. 157
AMBULATORY CARE
The hospital-sponsored ambulatory dental services program, part I: an evaluation of patient access. Koch, A.L. et al. 246
AMELOBLASTOMA
Management of an ameloblastoma in a patient with Sanfilippo's syndrome. Choate, B.B. et al. 181
AMERICAN ASSOCIATION OF HOSPITAL DENTISTS
The need for better collaboration among ADH, AAHD, and ASGD. (Ed.) kiyak, H.A. 147
Report. 46, 93, 140, 234, 282
AMERICAN SOCIETY FOR GERIATRIC DENTISTRY
The need for better collaboration among ADH, AAHD, and ASGD. (Ed.) Kiyak, H.A. 147
Report. 48, 95, 142, 188, 236, 280
ANESTHESIA, DENTAL
Asthma. (Letter) Willis, J.M. 47
The pregnant patient: considerations in dental care. Rothwell, B.R. et al. 124
ANESTHESIA, LOCAL
Preventing adverse local anesthetic reactions: the use of the skin test. Burgess, J.O. 135
ANODONTIA
Multidisciplinary treatment of a young child with hypohidrotic ectodermal dysplasia. Waggoner, W.F. 215
ANXIETY
Anxiety and pain control in the older patient. Malamed, S.F. 22
ASTHMA
Asthma. (Letter) Willis, J.M. 47
ATTITUDE OF HEALTH PERSONNEL
Dentists' evaluation of their general practice residencies. Wolf, M.C. et al. 102
The preparedness of dental professionals to treat persons with disabling conditions in long-term care facility and community settings. Stiefel, D.J. et al. 108
AUTISM
A sedation technique for autistic patients who require dental treatment. Lowe, O. et al. 267

B

BOOK ANNOTATIONS
Barr, C.E. et al. AIDS: a guide for dental practice. 239
Basrani, E. Fractures of the teeth: prevention and treatment of the vital and nonvital pulp. 184

Hobkirk, J.A. Color atlas of complete dentures. 184
Holm-Pedersen, P. et al. Geriatric dentistry--a textbook of oral gerontology. 138
Little, J.W. et al. Dental management of the medically compromised patient, ed. 2. 277
Lynch, M.A. et al. (Eds.) Burket's oral medicine, diagnosis, and treatment, ed. 8. 137
Provenza, D.V. et al. Oral histology: inheritance and development, ed. 2. 184
Tryon, A. (Ed.). Oral health and aging: an interdisciplinary approach to geriatric dentistry. 137
Wilson, J.R. Non-chew cookbook. 90
BULIMIA
Preventive dental prosthesis for the patient with bulimia. Ruff, J.C. et al. 218

C

CARDIOVASCULAR DISEASES
Risk assessment of the older dental patient: a review of the pathophysiology of the cardiovascular system. Friedlander, A.H. 41
CEREBRAL PALSY
Theoretical aspects and clinical experience with the palatal training appliance for saliva control in persons with cerebral palsy. Oliver, R.G. 271
CHILD ABUSE
Physical abuse of a suspected emotionally disturbed child: a report of case. Saravia, M.E. 228
CHRONIC OBSTRUCTIVE PULMONARY DISEASE *see* LUNG DISEASES, OBSTRUCTIVE
CLASSIFIED ADVERTISING. 47, 94, 143, 185, 281
COLPHOHYSTERECTOMY *see* HYSTERECTOMY, VAGINAL
COMPREHENSIVE DENTAL CARE
Multidisciplinary treatment of a young child with hypohidrotic ectodermal dysplasia. Waggoner, W.F. 215
CONSULTATION *see* REFERRAL AND CONSULTATION
CURRICULUM
Curriculum guidelines for the training of general practice residents in treating the patient with special needs. Jolly, D.E. et al. 150

D

DELIVERY OF DENTAL CARE
Care of the older dental patient in the hospital setting. Hurst, P.S. 33
Dentistry's role in providing services for older patients in long-term care facilities. Doherty, J.M. et al. 39
Practice activity profiles of younger and older dentists. Martens, L.V. et al. 35
DEMENTIA
Oral health and the patient with dementia. Niessen, L.C. et al. 36
DENTAL CARE
The pregnant patient: considerations in dental care. Rothwell, B.R. et al. 124
DENTAL CARE FOR HANDICAPPED
Curriculum guidelines for the training of general practice residents in treating the patient with special needs. Jolly, D.E. et al. 150
Dental treatment times in a population of patients with handicapping conditions. Nelson, L.P. et al. 67
Dentistry for the handicapped: a survey of predoctoral teaching programs. Wright, G.Z. et al. 62
Evaluation of treatments at a dental fears research clinic. Smith, T. et al. 130
Interpretation of the psychiatric diagnostic scheme: an aid to dental treatment planning. Friedlander, A.H. et al. 165
Laser excision of type III phenytoin-induced gingival hyperplasia. Marshall, W.R. et al. 207
A new population of concern to *Special Care.* Mulligan, R. 195
Obstacles confronting the geriatric patient who has a mentally handicapping condition. Twersky, H.B. 200
Oral health and the patient with dementia. Niessen, L.C. et al. 36
Oral treatment needs for patients requiring heart surgery. Garfunkel, A.A. et al. 167
Patients with head and neck cancer--pre- and posttherapy dental care. Schweiger, J.W. 18
The preparedness of dental professionals to treat persons with disabling conditions in long-term care facility and community settngs. Stiefel, D.J. et al. 108
Risk assessment of the older dental patient: a review of the pathophysiology of the cardiovascular system. Friedlander, A.H. 41
Silver-Russell syndrome: a report of case. Bullen, C.B. et al. 161
Treatment planning considerations for the patient with developmentally disabling conditions. Woehrlen, A.E., Jr. et al. 175
Treatment times for handicapped. (Letter) Rosenberg, D. 198

Methods
ADH ad hoc committee report: the use of restraints in the delivery of dental care for the handicapped--legal, ethical, and medical considerations. Fenton, S.J. et al. 253
Chronic obstructive pulmonary disease with tracheostomy: report of case involving endodontic treatment. Rover, B.C. et al. 70
Dental considerations in the treatment of patients with oculoauriculovertebral dysplasia (Goldenhar's syndrome). Boraz, R.A. 261
The dental management of depressed patients. Friedlander, A.H. et al. 65
A dental protocol for patients receiving radiation therapy for cancer of the head and neck. Engelmeier, R.L. 54
Dental treatment in the child with acute leukemia: report of case. Goodman, E.D. et al. 59
Dental treatment of a patient with Friedreich's ataxia. Camm, J.H. et al. 117
Duchenne muscular dystrophy: a report of case. Petty, T.L. et al. 211
Multidisciplinary treatment of a young child with hypohidrotic ectodermal dysplasia. Waggoner, W.F. 215

Preventing adverse local anesthetic reactions: the use of the skin test. Burgess, J.O. 135
A sedation technique for autistic patients who require dental treatment. Lowe, O. et al. 267
DENTAL CARIES
Dental caries and administrative status occurrence in Finnish children with mentally handicapped conditions. Palin-Palokas, T. 224
Silver-Russell syndrome: a report of case. Bullen, C.B. et al. 161
Special restorative needs of older adults: fractured teeth, root caries, and recurrent caries. Banting, D.W. 15
DENTAL CLINICS
Evaluation of treatment at a dental fears research clinic. Smith, T. et al. 130
DENTAL HEALTH SERVICES FOR THE AGED
Target marketing to the older patient: a practical approach. Harris, D.A. 31
DENTAL INSTRUMENTS
Theoretical aspects and clinical experience with the palatal training appliance for saliva control in persons with cerebral palsy. Oliver, R.G. 271
DENTAL MATERIALS
Newer restorative materials for the older adult. Rupp, N.W. 43
DENTAL PROSTHESIS
Prosthetic dentistry: some problems, some solutions. Shipman, B. 20
DENTAL PROSTHESIS DESIGN
Preventive dental prosthesis for the patient with bulimia. Ruff, J.C. et al. 218
DENTAL RESTORATION, PERMANENT
Newer restorative materials for the older adult. Rupp, N.W. 43
DENTAL SERVICE, HOSPITAL
Care of the older dental patient in the hospital setting. Hurst, P.S. 33
Hospital dentistry: is there a future? (Editorial) Sonis, S. 243
Hospital protocol for inpatients and outpatients. Olsen, R.A. et al. 257
The hospital-sponsored ambulatory dental services program, part I: an evaluation of patient access. Koch, A.L. et al. 246
The role of a social worker in a hospital dental department. Glassman, P. et al. 264
Starting a hospital dental consultation service: educational and financial considerations. Salisbury, P.L., III et al. 81
DENTISTS
Dentists' evaluation of their general practice residencies. Wolf, M.C. et al. 102
Practice activity profiles of younger and older dentists. Martens, L.V. et al. 35
The preparedness of dental professionals to treat persons with disabling conditions in long-term care facility and community settings. Stiefel, D.J. et al. 108
DEPRESSION
The dental management of depressed patients. Friedlander, A.H. et al. 65
DRUG ADMINISTRATION
The geriatric dental patient: some pharmacologic implications. Neidle, E.A. 12

E

ECTODERMAL DYSPLASIA
Multidisciplinary treatment of a young child with hypohidrotic ectodermal dysplasia. Waggoner, W.F. 215
EDITORIAL
Hospital dentistry: is there a future? Sonis, S. 243
The need for better collaboration among ADH, AAHD, and ASGD. Kiyak, H.A. 147
EDUCATION, DENTAL
Dentistry for the handicapped: a survey of predoctoral teaching programs. Wright, G.Z. et al. 62
Geriatric dentistry in the dental curriculum. Klooster, J. 27
The geriatric imperative: implications for dentistry. Adelson, R. 8
The preparedness of dental professionals to treat persons with disabling conditions in long-term care facility and community settings. Stiefel, D.J. et al. 108
ENDOCARDITIS, BACTERIAL
Oral treatment needs for patients requiring heart surgery. Garfunkel, A.A. et al. 167
EPILEPSY
Laser excision of type III phenytoin-induced gingival hyperplasia. Marshall, W.R. et al. 207
EQUIPMENT DESIGN
A thermoplastic mouthstick appliance. Leinbach, T.E. 221

F

FACULTY, DENTAL
Approaches to dental faculty in the integration of geriatric dentistry. Saunders, M.J. 30
FEAR
Evaluation of treatment at a dental fears research clinic. Smith, T. et al. 130
FLUORIDES
Dental caries and administrative status occurrence in Finnish children with mentally handicapping conditions. Palin-Palokas, T. 224
FRIEDREICH'S ATAXIA
Dental treatment of a patient with Friedreich's ataxia. Camm, J.H. et al. 117

G

GENERAL PRACTICE, DENTAL
Curriculum guidelines for the training of general practice residents in treating the patient with special needs. Jolly, D.E. et al. 150
Dentists' evaluation of their general practice residencies. Wolf, M.C. et al. 102
Responding to the challenges of an uncertain education environment. Tucker, L.R. et al. 73
GERIATRIC DENTISTRY
The geriatric dental patient: some pharmacologic implications. Neidle, E.A. 12
The geriatric imperative: implications for dentistry. Adelson, R. 8
Geriatrics and associated oral problems. Silverman, S., Jr. 11
A symposium: clinical geriatric dentistry: preparing the dentist to treat the older patient. Epstein, S. et al. 7
The values of geriatric dentistry. Ozar, D.T. 44
The Veterans Administration geriatric program. Rhyne, R.R. 28
Education
Approaches to dental faculty in the integration of geriatric dentistry. Saunders, M.J. 30
Geriatric dentistry in the dental curriculum. Klooster, J. 27
GINGIVAL HYPERPLASIA
Laser excision of type III phenytoin-induced gingival hyperplasia. Marshall, W.R. et al. 207
Phenytoin-induced gingival hyperplasia of edentulous spaces: a case report. Poppell, T.D. et al. 106
GINGIVECTOMY
Phenytoin-induced gingival hyperplasia of edentulous spaces: a case report. Poppell, T.D. et al. 106
GOLDENHAR SYNDROME
Dental considerations in the treatment of patients with oculoauriculovertebral dysplasia (Goldenhar's syndrome). Boraz, R.A. 261

H

HANDICAPPED
Dental treatment times in a population of patients with handicapping conditions. Nelson, L.P. et al. 67
A new population of concern to *Special Care*. Mulligan, R. 195
HEAD AND NECK NEOPLASMS
A dental protocol for patients receiving radiation therapy for cancer of the head and neck. Engelmeier, R.L. 54
The management of periodontal disease in patients who have received radiation therapy for head and neck cancer. Fattore, L. et al. 120
Patients with head and neck cancer--pre- and posttherapy dental care. Schweiger, J.W. 18
HEALTH EDUCATION, DENTAL
Dental health knowledge in a group of inner-city older adults. Odrich, J. et al. 275
HEALTH SERVICES ACCESSIBILITY
The hospital-sponsored ambulatory dental services program, part I: an evaluation of patient access. Koch, A.L. et al. 246
HYPERSENSITIVITY
Preventing adverse local anesthetic reactions: the use of the skin test. Burgess, J.O. 135
HYSTERECTOMY, VAGINAL
Von Willebrand's disease: indication for combined surgical procedures. Ritchie, J.R. et al. 87

I

INDEX TO ADVERTISERS. 90, 143, 185, 233, 279
INFORMATION FOR AUTHORS. 51, 99, 186
INPATIENTS
Hospital protocol for inpatients and outpatients. Olsen, R.A. et al. 257
INTERNSHIP AND RESIDENCY
Curriculum guidelines for the training of general practice residents in treating the patient with special needs. Jolly, D.E. et al. 150
Dentists' evaluation of their general practice residencies. Wolf, M.C. et al. 102
Responding to the challenges of an uncertain education environment. Tucker, L.R. et al. 73

J

JAW, EDENTULOUS, PARTIALLY
Phenytoin-induced gingival hyperplasia of edentulous spaces: a case report. Poppell, T.D. et al. 106

L

LASER SURGERY
Laser excision of type III phenytoin-induced gingival hyperplasia. Marshall, W.R. et al. 207
LETTERS
Asthma. Willis, J.M. 47
Treatment times for handicapped. Rosenberg, D. 198
LEUKEMIA, LYMPHOBLASTIC
Dental treatment in the child with acute leukemia: report of case. Goodman, E.D. et al. 59
LONG TERM CARE
Dentistry's role in providing services for older patients in long-term care facilities. Doherty, J.M. et al. 39
The preparedness of dental professionals to treat persons with disabling conditions in long-term care facility and community settings. Stiefel, D.J. et al. 108

LUNG DISEASES, OBSTRUCTIVE
Chronic obstructive pulmonary disease with tracheostomy: report of case involving endodontic treatment. Rover, B.C. et al. 70

M

MALOCCLUSION
Silver-Russell syndrome: a report of case. Bullen, C.B. et al. 161
MANDIBULAR NEOPLASMS
Management of an ameloblastoma in a patient with Sanfilippo's syndrome. Choate, B.B. et al. 181
MARKETING OF HEALTH SERVICES
Target marketing to the older patient: a practical approach. Harris, D.A. 31
MENTAL DISORDERS
Interpretation of the psychiatric diagnostic scheme: an aid to dental treatment planning. Friedlander, A.H. et al. 165
MENTAL RETARDATION
Dental caries and administrative status occurence in Finnish children with mentally handicapping conditions. Palin-Palokas, T. 224
Laser excision of type III phenytoin-induced gingival hyperplasia. Marshall, W.R. et al. 207
Obstacles confronting the geriatric patient who has a mentally handicapping condition. Twersky, H.B. 200
Treatment planning considerations for the patient with developmentally disabling conditions. Woehrlen, A.E., Jr. et al. 175
MICROSTOMIA
Oral rehabilitation of the burn patient with severe microstomia: a report of case. Dahlberg, R.C. et al. 171
MOLAR, THIRD
Von Willebrand's disease: indication of combined surgical procedures. Ritchie, J.R. et al. 87
MOUTH DISEASES
Geriatrics and associated oral problems. Silverman, S., Jr. 11
Nutrition and preventive needs of older adults. Papas, A.S. et al. 13
The pregnant patient: considerations in dental care. Rothwell, B.R. et al. 124
MOUTH, EDENTULOUS
Panoramic radiographic examination of patients who are edentulous. Catelli, W.F. et al. 114
MOUTH REHABILITATION
Oral rehabilitation of the burn patient with severe microstomia: a report of case. Dahlberg, R.C. et al. 171
MUSCULAR DYSTROPHY
Duchenne muscular dystrophy: a report of case. Petty, T.L. et al. 211

N

NUTRITION
Nutrition and preventive needs of older adults. Papas, A.S. et al. 13

O

ORAL HEALTH
Oral health and the patient with dementia. Niessen, L.C. et al. 36
ORAL HYGIENE
Dental caries and administrative status occurrence in Finnish children with mentally handicapping conditions. Palin-Palokas, T. 224
ORTHOPEDIC EQUIPMENT
A thermoplastic mouthstick appliance. Leinbach, T.E. 221
OUTPATIENTS
Hospital protocol for inpatients and outpatients. Olsen, R.A. et al. 257

P

PAIN
Anxiety and pain control in the older patient. Malamed, S.F. 22
PATIENT CARE PLANNING
Duchenne muscular dystrophy: a report of case. Petty, T.L. et al. 211
Interpretation of the psychiatric diagnostic scheme: an aid to dental treatment planning. Friedlander, A.H. et al. 165
The prevalence of occlusal attrition and considerations for treatment in a noninstitutionalized older population. Hand, J.S. et al. 202
Treatment planning considerations for the patient with developmentally disabling conditions. Woehrlen, A.E., Jr. et al. 175
Treatment planning for older adults. Berkey, D.B. 21
Treatment times for handicapped. (Letter) Rosenberg, D. 198
PERIODONTAL DISEASE
The management of periodontal disease in patients who have received radiation therapy for head and neck cancer. Fattore, L. et al. 120
Periodontal therapy for older adults. Kiger, R.D. 26
PHENYTOIN
Laser excision of type III phenytoin-induced gingival hyperplasia. Marshall, W.R. et al. 207
Phenytoin-induced gingival hyperplasia of edentulous spaces: a case report. Poppell, T.D. et al. 106
PRACTICE MANAGEMENT, DENTAL
Practice activity profiles of younger and older dentists. Martens, L.V. et al. 35
PREGNANCY
The pregnant patient: considerations in dental care. Rothwell, B.R. et al. 124
PREMEDICATION
Oral treatment needs for patients requiring heart surgery. Garfunkel, A.A. et al. 167

Q

QUADRIPLEGIA
A thermoplastic mouthstick appliance. Leinbach, T.E. 221

R

RADIOGRAPHY, DENTAL
The pregnant patient: considerations in dental care. Rothwell, B.R. et al. 124
RADIOGRAPHY, PANORAMIC
Panoramic radiographic examination of patients who are edentulous. Catelli, W.F. et al. 114
REFERRAL AND CONSULTATION
Starting a hospital dental consultation service: educational and financial considerations. Salisbury, P.L., III et al. 81
RESIDENCY, DENTAL *see* INTERNSHIP AND RESIDENCY
RESTRAINT, PHYSICAL
ADH ad hoc committee report: the use of restraints in the delivery of dental care for the handicapped——legal, ethical, and medical considerations. Fenton, S.J. et al. 253
ROOT CANAL THERAPY
Chronic obstructive pulmonary disease with tracheostomy: report of case involving endodontic treatment. Rover, B.C. et al. 70
RUMINATION
Dental sequelae of chronic rumination: report of cases. Burtner, A.P. et al. 154

S

SALIVA
Stimulated saliva and microbial growth in older adults. Lassila, V.P. 157
SANFILIPPO'S SYNDROME
Management of an ameloblastoma in a patient with Sanfilippo's syndrome. Choate, B.B. et al. 181
SEDATION
A sedation technique for autistic patients who require dental treatment. Lowe, O. et al. 267
SEIZURES
Phenytoin-induced gingival hyperplasia of edentulous spaces: a case report. Poppell, T.D. et al. 106
SIALOMETAPLASIA, NECROTIZING
Necrotizing sialometaplasia: report of two cases. Lambert, P.M. 78
SIALORRHEA
Theoretical aspects and clinical experience with the palatal training appliance for saliva control in persons with cerebral palsy. Oliver, R.G. 271
SILVER-RUSSELL SYNDROME
Silver-Russell syndrome: a report of case. Bullen, C.B. et al. 161
SOCIAL WORKERS
The role of a social worker in a hospital dental department. Glassman, P. et al. 264
SPECIAL CARE IN DENTISTRY
Editorial Board. 4
SURGERY, ORAL, PREPROSTHETIC
Preprosthetic surgery for the older patient. Boyne, P.J. 17

T

TIME FACTORS
Dental treatment times in a population of patients with handicapping conditions. Nelson, L.P. et al. 67
TOOTH ABRASION
The prevalence of occlusal attrition and considerations for treatment in a noninstitutionalized older population. Hand, J.S. et al. 202
TOOTH DISEASES
Nutrition and preventive needs of older adults. Papas, A.S. et al. 13
TOOTH EROSION
Dental sequelae of chronic rumination: report of cases. Burtner, A.P. et al. 154
Preventive dental prosthesis for the patient with bulimia. Ruff, J.C. et al. 218
TOOTH EXTRACTION
Von Willebrand's disease: indication for combined surgical procedures. Ritchie, J.R. et al 87
TOOTH FRACTURES
Special restorative needs of older adults: fractured teeth, root caries, and recurrent caries. Banting, D.W. 15
